

**Jon Millar**  
**Coach**

## **COACHING**

Jon Millar brings 20+ years of volleyball coaching, indoor and sand playing experience to Molten Volleyball Club from California, Utah and most recently, Arizona. Jon was a California First Team All-League and competed with his brother at Highland High School, 3-time Olympic Athlete and recent Gold Medal Middle Blocker, Ryan Millar. Jon's first coaching experience began soon after high school in Utah, but he returned to playing with Ricks College. After completing a two year LDS mission in Quito, Ecuador, Jon continued his playing career with the Men's program at Utah Valley University. Upon moving to Arizona, Jon has been helping to build the younger teams with AZU Volleyball Club. Jon is married to wife Lisa and has three sons that will follow in his families' footsteps as outstanding volleyball athletes. Jon continues to upgrade his coaching experience through a variety of camps across the country including with his brother Ryan. We would like to welcome Jon to our coaching staff and know that he will provide valued teaching and exposure to our athletes.
