

Michael Neuweiler
Coach

COACHING

- 2011-2012 Molten Volleyball Club Junior Boys 15-Black
- 2010-2011 Temecula Valley Volleyball Club, 14 Local Head Coach, took over this team for a coach who was going out on medical leave and had to start with the basics of volleyball as most of the girls had very little to no experience. Taught them system type of defense and rotations, and they moved up into the morning pool of the local brackets, and took 1st place in the last 3 tournaments as well as bracket champions.
- 2010 JV Coach for Chaparral High School, Temecula, CA, finished tied for first place in the division with an overall season record of 23-3, took first place in Norco JV Invitational.
- Took the 2009 season off to have re-constructive surgery on my shoulder (long overdue).
- 2008 JV Coach for Temecula Valley High School, Temecula, CA, finished tied for first place among the JV division with a 9-2 league record.
- 2007-2008 Temecula Valley Volleyball Club, 14 Regional Head Coach, this team was a travel team except the parents didn't want to go to the Volleyball Festival at the end of the season. This was a great team that finished the end of the season sweeping its last 2 mandatory tournaments, then going undefeated in regionals and winning the Bronze division championship (won 21 straight games to finish the season).

- 2007 Freshman Coach for Great Oak High School, Temecula, CA, left to coach the JV team at Temecula Valley the next year.
- 2006-2007 Temecula Valley Volleyball Club, 14-3 Head Coach, this team was the highest position moving team in the 14's bracket at the Reno Volleyball Festival, we started in 96th position and finish in 41st position (we were as high as 32nd).
- 2006 JV Coach for Linfield Christian, Temecula, CA, left after this season to coach at the public school level, more opportunity for growth with the bigger schools. Team finished 2nd in league with a record of 9-4.
- 1994-1995 JV Coach for Del Norte High School, Albuquerque, NM
