

Community Service Pledge Drive

Molten Volleyball Club Supporter,

The 2011/2012 Junior Girls Club volleyball season is currently underway, and we are already off to a great start. Many of our athletes work very hard during the club season. We have high expectations for all of our girls as they continue to strive each day to achieve something more.

Our mission as coaches is to help every young Junior Girl athlete in our program in her attempt to become not only a quality volleyball player, but also more importantly, help her grow into a positive contributor both on the court and in the community. Her volleyball experience at Molten Volleyball Club can be the vehicle for her success. With your help as a supporter, you can also help our young Junior Girl athletes.

This year we are holding our fifth Community Service Pledge Drive. We felt that it would be in the best interest of the players to show our appreciation for your support by giving back to the community. Therefore, each volleyball player will have the opportunity to donate five (5) hours of community service this club season. We feel that pledging five (5) hours of community service will be meaningful and rewarding to the players. Our team will benefit by seeing first hand the value of hard work and helping out the people in our community.

We hope that you will consider helping us in our efforts as we continue to build our volleyball program into a source of pride for our community. Your contribution will be greatly appreciated by both the coaching staff and the athletes.

Sincerely,

Molten Volleyball Club
