

## Youth Sports Fundraising Opportunity

We know how difficult it has become to raise funds for youth sports programs. My kids play travel sports as well and as you know the cost has become a major issue for a lot of families.

I have spent the past two years interviewing vendors, subcontractors and manufactures. We have built a program that will allow us to help your team raise some serious cash for the upcoming season. Everybody in this program is very excited and willing to help youth sports programs in the valley.

Its simple- just refer any friend or family member to **BAJA BLUE POOLS AND SPAS**. If they build a pool with us we will donate a \$1000.00 referral fee to the association in the name of the person who referred the customer to us. **Baja Blue** will pay the fee at the first payment (completed Excavation). This is usually within 10 days of contract.

We have some great incentives to offer the customer as well. Hayward salt systems, color logic led light water feature upgrades and free upgrade on deck materials are just a few of the items being offered in the fantastic program.

With over 14 years in the industry I know everybody can be a winner in this promotion. Just have your friend or family member contact me directly and mention your program. They will receive the pool and or backyard of their dreams and your program will help raise the necessary funds to develop these young men and woman.
